UNITED STATES INTELLIGENCE BOARD  
COMMITTEE ON DOCUMENTATION

MEMORANDUM FOR: DIA CODIB Member, [REDACTED] DIAMS-14

SUBJECT: Distribution of USIB File and Program Catalogs

1. I understand that DIA has distributed the File and Program Catalogs containing the May 1967 submissions by the USIB agencies. The distribution did not include the CODIB members, except perhaps some of those who were on the list previously to receive the DIA File and Program Catalog. The CODIB Support Staff did not get a copy, although we were previously on distribution for the DIA catalogs.
2. If copies of these catalogs are still available, would you please arrange to have one copy of each catalog sent to the addressees on the attached list.
3. I understand also that catalogs containing submissions of the USIB agencies on 1 August 1967 are now at the printers. Would you please arrange to have one copy of each catalog sent to the attached addressees. Until further notice, this will constitute the CODIB mailing list for the USIB FPCS Catalogs.
4. I have discussed the above with [REDACTED] DIAMS-1, who was DIA monitor of this project until recently. He informed me that [REDACTED] DIAMS-1 is now the project monitor. We trust that he will arrange to keep adequate records on manhours and machine costs associated with this project so that a realistic evaluation of the system can be made after it has been in operation one year as called for by the recommendations approved by USIB.
